The Committee maintains these archives and makes acquisitions for these archives in order to enlighten and fulfill the ongoing continuity of the history of A.A. in Southern California.
- B. The **Audio-Visual Committee** provides and coordinates the presentation of A.A. audio-visual materials to A.A. groups, A.A. Conventions, districts, other committees such as Public Information, Cooperation with the Professional Community, Hospitals and Institutions, and other interested people as appropriate.

These locations include, but are not limited to, senior citizen centers, senior health fairs, retirement homes, assisted living facilities and the offices of geriatric physicians. The information includes A.A. literature, audio visual presentations, flyers, posters, displays and other materials. This information supports carrying the message of recovery to seniors, professionals who work predominantly with seniors and A.A. members interested in outreach to the elderly.
- D. **The Cooperation with the Professional Community (CPC) Committee** provides information about A.A. to those who have contact with alcoholics through their professions. This group includes physicians and other healthcare professionals, educators, members of the clergy, lawyers, law-enforcement personnel, and social workers. Such information includes what A.A. is and is not, as well as what it does and does not do.

- E. **The Finance Committee** develops the annual Area budget and the upper and lower cash balance limits, and, based on analysis of Area finances, assists SCAA in making financial decisions. Specific details are given in Section IX below (SCAA Finances).
- F. **The Grapevine & La Viña Committee** informs groups and individuals of the benefits of using the *A.A. Grapevine* and *La Viña* magazines. The committee encourages groups and individuals to subscribe to our “meeting in print,” urges A.A. members to contribute articles for publication, and provides a structure for the group *Grapevine* Representatives (GvRs).
- G. **The Guidelines & Policies Committee** drafts amendments to SCAA guidelines in response to policies approved by the Area in concert with others. The website is published in English and Spanish. A webmaster, selected or hired by the Area Chair with the approval of the officers, develops and maintains the website at the direction of the Website Chair, with input from the Website Committee.

VI. SCAA AD-HOC COMMITTEES

Ad-hoc Committees are temporary committees formed by the Area Chair with approval of the Officers for a specific purpose, situation, or question which is not normally dealt with by a Standing Committee. An Ad-hoc committee remains in existence until its purpose is accomplished or until it is dissolved by the Area Chair with approval of the Officers. Recommendations and/or conclusions are reported at Area assemblies and Area Committee meetings.

VII. SCAA RULES OF CONDUCT

Generally, the SCAA follows *Robert's Rules of Order* and proceeds as informally as possible consistent with the rights of all concerned. Over the years the Area has adopted some exceptions to *Robert's Rules* which help it to proceed more closely in accord with the Twelve Concepts and Twelve Traditions.

A. **General Rules of Debate:**

1. The Area Chair conducts an orderly meeting following the agenda.
2. People who wish to speak line up at the microphones and are called on in order.
3. No one may speak for a second time on a topic until all who wish to speak have spoken for the first time.
4. Voting is usually by voice-vote or show-of-hands. The Chair has the discretion to choose the method of voting as described in *Robert's Rules of Order*.

B. **Motions:** The chair handles motions from the members as follows:

1. The Chair has the discretion to entertain the motion, refer it to an appropriate committee for study, or defer it to the following assembly;
2. The Chair asks for a second for the motion. All motions must be seconded for further action.
3. Following the seconding of a motion, a discussion is held where members of the assembly, when recognized by the Chair, may address the motion, propose amendments, move to table it, or call the question.

C. **Motions to Amend:**

1. May be made from the floor with a second;
2. Require agreement by the originator of the motion.
3. Debate commences on the amendment until the question is called and the amendment is voted on.
4. If passed, debate resumes on the amended motion until the question is called.
5. If defeated, debate resumes on the original motion until the question is called.

D. **Tabling Motions:**

1. Postpones discussion until a later date;
2. Requires a motion and a second;
3. Is not debatable;
4. Needs only a simple majority to pass.

E. Calling the Question:

1. Brings debate to a halt while members decide whether to proceed directly to a vote (the question) or go on with the debate;
2. Must be made in order at the microphone;
3. Speaking on a topic may not be followed by calling the question at the same turn at the microphone;
4. Requires a second;
5. Is not debatable;
6. Requires a two-thirds vote.

F. Substantial Unanimity: All motions require substantial unanimity, that is, a two-thirds majority of those voting.

G. Motions to Reconsider:

1. After voting on motions, the non-prevailing side will always be given an opportunity to speak to their position;
2. Must be made by a member who voted with the prevailing side, but may be seconded by anyone.
3. Only a simple majority is required to reconsider motions.
4. If the majority votes to reconsider, full debate on the original motion is resumed.
5. This revoting procedure occurs only once.

VIII. SCAA ELECTIONS

A. Officers:

1. Elections are held at the Fall Area assembly of each even-numbered year for the two-year term beginning in January of following odd-numbered year.
2. SCAA Officers to be elected are Delegate, Alternate Delegate, Chair, Secretary, Accounts Treasurer, Contributions Treasurer and Registrar.
3. Prior to electing each Officer, qualifications and duties for the office are read from the *A.A. Service Manual* and these Area Guidelines & Policies.
4. Third Legacy Procedures described in the *A.A. Service Manual* apply.
5. Those eligible to stand for election are Area Committee members, but no one is eligible to stand for an office in which he or she has ever served a full term in any General Service Area. Candidates must be present at the Election Assembly in order to stand for election. The names of all those eligible to stand are read. Candidates state whether they are available.
6. Voting eligibility in Area elections is the same as those at Area assemblies.

B. Regional and Trustee-at-Large Candidates:

1. Candidates submit resumes to the SCAA Delegate at least 45 days before their election; late resumes are returned.
2. The SCAA Delegate sends copies of all resumes to each member of the Area Committee at least 30 days before the election.

3. Third Legacy procedures in the A.A. Service Manual apply.
4. Regional and Trustee-at-Large elections are held as needed to meet G.S.O. deadlines.
5. Voting eligibility for Regional and Trustee-at-Large elections is the same as those at Area assemblies.

C. **Officer Vacancies:**

1. Should the Delegate become unable to perform normal duties the line of succession is: Alternate Delegate, Secretary, Accounts Treasurer, Contributions Treasurer, and then Registrar.
2. Should the Delegate become ready to resume office, he or she notifies the acting Delegate and resumes office subject to approval of the Officers.
3. Should the Chair become unable to perform normal duties, the Delegate chairs a special Third Legacy election.
4. Any vacancy in the office of Alternate Delegate, Secretary, Accounts Treasurer, Contributions Treasurer, or Registrar will be filled by a Third-Legacy election at the next Area assembly after the vacancy occurs.
5. The Officers may make a temporary appointment to fill an officer vacancy prior to the election.

IX. SCAA FINANCES

- A. The **Financial policies** of SCAA are developed by the Finance Committee and approved by the Area Committee and the Area Assembly. The details are in a separate document, SCAA Financial Guidelines.
- B. **Primary income sources** are, in the spirit of the Seventh Tradition, group contributions, individual contributions, and proceeds from special functions.
- C. **Expenditure Priorities.** Our ideal with respect to financial reimbursement is that no A.A. member be denied the opportunity to serve SCAA due to lack of funds. Our priorities are:
 1. Full funding of the Delegate at the annual General Service Conference, PRAASA, and Pacific Regional Forum;
 2. Payment of necessary Area assembly expenses;
 3. Other work of the Area Officers;
 4. Work of the Standing and Ad-hoc Committees;
 5. Travel reimbursement to Area Committee members for attendance at Area assemblies, Area Committee meetings, Area Steering Committee meetings, PRAASA, Forums, etc.
- D. The **Annual budget** is based primarily on anticipated income, past budgets and financial reports, plus input from the Officers and the Standing Committees.

- E. Our **Prudent-reserve policy** is to maintain sufficient funds on hand for SCAA budget requirements while avoiding the accumulation of excess funds: New upper and lower cash balance limits are recommended by the Finance Committee, presented at the next Area assembly, considered at the following Area Committee meeting, and, if passed, considered again at the following Area assembly.
- F. **Reimbursement, Direct Expenditures, and Financial Accountability** are made in accordance with the *SCAA Financial Guidelines*.
- G. **Material Property Inventory**: The Finance Committee prepares a list of all material property owned by the Area each year.
- H. **Insurance**: The Area shall retain Property Damage and Bodily Injury Liability insurance in an appropriate amount. This insurance shall provide coverage for SCAA events (as opposed to district or group events) such as:
 - Area assemblies;
 - Area Committee meetings;
 - Area Steering Committee meetings;
 - Area Officer meetings;
 - Special or annual Area events such as
 - Delegate's Conference Reports,
 - the Four-Area DCM Sharing Session, when hosted by SCAA,
 - and *El Foro de Servicios Generales*, etc.

X. SCAA WEBSITE

The SCAA Website, www.aascaa.org, carries the A.A. message to the alcoholic who still suffers and makes information about Area meetings and events available to A.A. members. It is our intent to allow posting of information on district, Area, or Regional General-Service-sponsored events.

A. Included Links:

1. In keeping with the A.A. tradition of non-endorsement, and recognizing the fact that any A.A. site can and will be accessed by the general public, links to any commercial sources, including those displaying religious, institutional or political advocacy sites should be avoided. A.A. endorsement of such groups and organizations might mistakenly be implied through such links.
2. The links that the Area will maintain are to the AAWS and the A.A. Grapevine websites, to other Areas' websites, and to districts in our area, as long as these sites follow these guidelines.
3. The Webmaster may remove links which violate these guidelines.

B. Public Access:

1. It is recommended that the web site be constructed in such a manner that it be available for viewing by anyone who accesses the Internet through any means and with any system.
2. Care should be taken not to show preference to specific systems, browsers, etc. which would make accessing the site through other means difficult.
3. In Southern California, multiple languages are spoken, therefore, in the spirit of unity, an effort should be made to provide access to the site's information in all languages represented by GSRs.

C. Use of Multimedia:

1. The use of multimedia has become common for the purpose of communicating information and enhancing the experience of the web itself; however, it is recommended that information be presented in a format that is common to as many systems as possible so as not to exclude those who do not have the same multimedia capability.
2. Excessive use of graphic material should be carefully considered, as the Eleventh Tradition warns against the use of "sensational advertising." Intensive graphical, musical, or video material which is not pertinent to or supportive of the site's informational content should be avoided.

D. Financing and Maintenance:

1. In keeping with A.A.'s Seventh Tradition, a site placed on the World Wide Web which represents an A.A. Area should be supported solely by that area. The SCAA Website will not accept paid advertising.
2. The many "free" sites available on the Internet, while tempting, must be avoided as they often include mandatory advertising space as "rent" for the space. Selection of the Website hosting facility should be the responsibility of the Website Committee. The Area must be able to control all site content, for example we will not trade hosting space rental for any other services such as advertising.
3. Payment for the Website space rental should be made by the Area directly to the vendor.
4. The domain name (www.aascaa.org) should be registered, maintained, and renewed by the Area, not by an individual member or the hosting facility.
5. Website maintenance, for example, site updates, modifications, revisions, redesigns, should be the responsibility of the Website Committee.
6. E-mail and post mail generated by the Website should be the responsibility of the Website Committee.

E. Anonymity:

1. Since any web site is a published document which can be accessed by the general public, the principle of anonymity as it applies to other forms of media should be extended to the World Wide Web, and to that end, full names and photographs of A.A. members should be avoided.
2. To adhere to A.A.'s tradition of personal anonymity, last names of A.A. members and personal e-mail addresses will not be listed.

3. In order to maintain personal anonymity when using the web site, web site users are asked to direct all comments, inquiries, and remarks to the e-mail address listed, and they will be contacted via e-mail or postal mail according to the need.

XI. OTHER SCAA ACTIVITIES

- A. **The Pre-Conference Assembly Workshop** is a two-day assembly held in the Spring on a weekend before the General Service Conference. One full day and part of the other day will be used for the pre-conference program. It is designed by the Alternate Delegate with the consultation of the Delegate to address topics from the General Service Conference agenda to assist our Delegate in making informed decisions at the General Service Conference.
- B. **The Four-Area DCM Sharing Session** is an annual event designed to aid DCMs in carrying out their responsibilities and to inform each other on service-related topics. The sharing session rotates around the four neighboring Areas and encourages an exchange of ideas and cooperative efforts. The Sharing Session has a Planning Committee made up of one or two DCMs or DCMCs from each of the four Areas. The Planning Committee is responsible for the agenda and for inviting scheduled participants.
- C. **Area Delegate Conference Reports** are made each year upon the Delegate's return from the Annual General Service Conference. The Delegate arranges dates and locations of these reports in cooperation with the host districts.
- D. ***El Foro de Servicios Generales* (the Spanish-speaking General Service Forum)** is planned and hosted by the Spanish-speaking groups at a date and location of their choosing. English translation is made available at the *Foro*.
